- Neo Silk Ice Mask™ Tablets
- Aluminum bottle with Activator- Fluid
- Information Booklet

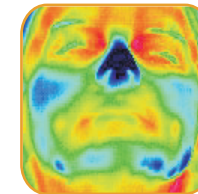

Put on your Fresh Face USE IT ANYTIME, ANYWHERE

When to use:

- can also be used over make up
- between work and going out
- prior to meetings and conferences
- after sports or sunbathing
- while or after cosmetic treatments
- after a long distance flight
- does not leave any residue

Medically tested IMPROVES SKIN STRUCTURE

The thermographic image shows how the Ice Mask™ cools after only a few minutes.

The Liquid Ice™ Activator Fluid cools comfortably to strengthen collagen and tighten facial tissue.

The Ice Mask™ has been successfully used by many top plastic surgeons worldwide to improve post operative facial tissue.

The Ice Mask™ was such a success that it is now available for you as a 'cosmedical' product.

Easy, Fast and Clean NO CLEAN UP NECESSARY

Very easy, time saving and efficient application

Preparation in less than 1 minute
Use and Go in 10 minutes
